## **Confidentiality Agreement**

I understand and agree that as an S<sup>D</sup> Associates employee I will maintain the confidentiality/privacy of all students in the classroom(s) and/or program(s) to which I may be assigned. I may not share any information or discuss any aspect of a student's behavior, conduct, learning, personal traits, identity, or any other information which might personally identify a student, outside of other program staff and designated school staff, either verbally or in writing. Failure to maintain student confidentiality may result in dismissal without additional warnings.
